## SPECIAL SECURITY PROTOCOLS

1. A single entrance at the main staircase of the Pavilion will open for passholders at 4:30pm on Saturday (early entries will not be permitted). The presentation will begin promptly at 5:30pm. No entry/re-entry will be allowed after it begins.
2. All those entering the Pavilion will be screened by security wands, and security guards will inspect all personal bags. Only clear water bottles will be permitted inside (no colored/opaque water bottles). Please consider leaving personal bags at home to avoid long lines (a bag check service will also be available).
3. This Pavilion talk is open to SVWC full passholders ONLY. There will be no lawn access and individual tickets will not be sold. It will also be screened for passholders in the Opera House. Non-passholders can livestream the talk on the SVWC website or view it at the Live Watch Party at The Argyros.
4. If you attend a previous talk in the Pavilion on Saturday, be sure and take all your personal belongings when you leave—the venue will be completely cleared by security prior to the presentation. Recovered items will be brought to Lost & Found at the Info Desk.

*Thank you for your understanding and attention to this matter.*
