

How May We Assist You?

SPECIAL ASSISTANCE AND ACCESSIBILITY

Large Conference talks are held in the Sun Valley Pavilion. Smaller breakout sessions are located in the Pavilion, SV Opera House, SV Inn rooms, and several tents on the Lower Lawn. Breakfast is served at the SV Lodge Terrace and lunches are at umbrella tables/tents on the Lower Lawn. The resort is accessible for those needing assistance. If you need special assistance, please talk to an SVWC volunteer or staff member at Registration or the Info Desk. They can point out the best routes and ways to maneuver and also introduce you to our lead golf cart driver, Tim Black.

GOLF CART ASSISTANCE

SVWC golf carts circle the campus in order to provide assistance and rides. Golf carts will make a circular route between the Pavilion and the Breakout Session locations. You may also ask a staff or volunteer to call a golf cart if one is not readily available.

PARKING

Due to several simultaneous events, SVWC has a newly designated parking area in the large unpaved lot across Dollar Road, which runs behind the Pavilion. Please follow signs to the two rows of ADA parking behind the new landscaping berm. An ADA parking permit must be displayed in your vehicle. There are also a few ADA spaces in the Indoor Ice Rink lot, just west of the Pavilion entrance. We encourage you to drop off anyone needing extra assistance at the front entrance to the Pavilion.

THE PAVILION

The elevator entrance is marked by a sign to the right as you stand at the top of the Pavilion main entry stairs. It is accessed by a walkway off the Pavilion sidewalk, between Dollar Road and the main entry. There are two rows designated for ADA seating. Both are in the Lower Tier - the main seating section:

Row A - First row of Lower Tier in front of the stage

Take the elevator to Level 1, exit right and go through the double doors leading into the Pavilion. Row A is the first row in front of the stage.

Row V - Top row of the Lower Tier along the walkway across the Pavilion

Take the elevator to Level 2 and exit straight ahead through the glass doors. Enter the Pavilion to the right. Row V is the top row of the Lower Tier.

Please ask staff or a volunteer to show you the easiest way to access the ADA bathrooms in the Pavilion.

SUN VALLEY LODGE AND INN

Please check with our staff to learn the best way to access the Lodge and Inn. Both have ADA bathrooms and entry ramps.
